

HF Marine Container Plug

HF Marine Container Plug is designed for Reefer Container use only.

Rated current:	32A
Rated voltage:	AC 440V~
No. of poles:	3P+E (4P)(four poles)
Earth contact position:	3H
Protection degree:	IP67
Housing material:	Flame retardant PA6 RoHS Reach
Contact:	Nickel plated brass RoHS Reach
Package:	10 pcs. in a carton box
Feature:	Easy to install
Standard:	According to 60309-1/60309-2
Mark:	CE
Patent:	Design patent priority by Hans Følsgaard A/S

Rev. 11. 11. 2015
